

Ings Farm Primary Long Term Plan

**Science  
2021-2022**

**Skills &  
Processes**  
KS1  
Y3/4  
Y5/6

1	Ask simple questions and recognise they can be answered in different ways. Ask relevant questions and use different types of scientific enquiries to answer them.		
2	Observe closely using simple equipment Make systematic and careful observations, and where appropriate, take accurate measurements using standard units using a range of equipment, including thermometers and data loggers. Take measurements, using a range of scientific equipment, with increasing accuracy and precision, taking repeat readings when appropriate.		
3	Perform simple tests Set up simple practical enquiries, comparative and fair tests. Plan different types of enquiries to answer questions, including recognising and controlling variables where necessary.		
4	Identify and classify.		
5	Gather and record data to help in answering questions. Gather, record, classify and present data in a variety of ways to help in answering questions. Record findings using simple scientific language, drawings, labelled diagrams, keys, bar charts and tables Record data and results of increasing complexity using scientific diagrams and labels, classification keys, tables, scatter graphs, bar charts and line graphs.		
6	Use observations and ideas to suggest answers to questions. Use straightforward scientific evidence to answer questions or to support their findings. Identify differences, similarities or changes related to simple scientific ideas and processes. Identify scientific evidence that has been used to support or refute ideas or arguments.		
7	Use results to draw simple conclusions, make predictions for new values, suggest improvements and raise further questions. Use test results to make predictions to set up further comparative and fair tests.		
8	Report on findings from enquiries, including oral and written explanations, displays or presentations of results and conclusions. Report and present findings from enquiries, including conclusions, causal relationships and explanations of and degree of trust in results, in oral and written forms such as displays and other presentations.		

**Skills & Processes involved** - Indicate by term or **C** for continuous

Year	Term 1a	Term 1b	Term 2a	Term 2b	Term 3a	Term 3b	1	2	3	4	5	6	7	8
Year 1	<p><u>Plants and Seasonal changes (On-going throughout the year in each term)</u></p> <p>Identify and name common wild and garden plants, including deciduous and evergreen trees.</p> <p>Identify and describe the basic structure of a variety of common flowering plants, including trees</p>	<p><u>Animals, including humans (started)</u></p> <p>Identify and name a variety of animals including fish, amphibians, reptiles, birds and mammals.</p> <p>Describe and compare the structure of a variety of common animals.</p> <p>Identify, name, draw and label the basic parts of the human</p>	<p><u>Everyday materials</u></p> <p>Distinguish between an object and the material from which it is made.</p> <p>Identify and name everyday materials (wood, plastic, glass, metal, water and rock)</p> <p>Describe the simple physical properties of a variety of everyday materials.</p> <p>Compare and group together a variety of everyday materials on the basis of the simple physical properties.</p>		<p><u>Animals, including humans (completed)</u></p> <p>Identify and name a variety of animals including fish, amphibians, reptiles, birds and mammals.</p> <p>Identify and name a variety of common animals that are carnivores, herbivores and omnivores.</p>	<p><u>Plants and Seasonal changes</u></p> <p>Identify and describe the basic structure of a variety of common flowering plants, including trees (leaves, flowers, petals, fruit, roots, bulb, seed, trunk, branches, stem)</p>	C	C	T2	C		C		

	<p>(leaves, flowers, petals, fruit, roots, bulb, seed, trunk, branches, stem)</p> <p>Observe changes across the four seasons.</p> <p>Observe and describe weather associated with the seasons and how day length varies.</p>	body and say which part is associated with which sense.												
<b>Year 2</b>	<p><b><u>Living things and their Habitats</u></b></p> <p>Explore and compare the differences between things that are living, dead, and things that have never been alive.</p> <p>Identify that most living things live in habitats to which they are suited and describe how different habitats provide for the basic needs of different kinds of animals and plants, and how they depend on each other.</p> <p>Identify and name a variety of plants and animals in their habitats, including micro-habitats.</p> <p>Describe how animals obtain their food from plants and other animals, using the idea of a simple food chain, and identify and name</p>	<p><b><u>Animals, including humans</u></b></p> <p>Find out about and describe the basic needs of animals, including humans, for survival (water, food, air)</p> <p>Describe the importance for humans of exercise, eating the right amounts of different types of food, and hygiene.</p>	<p><b><u>Use of everyday materials</u></b></p> <p>Identify and compare the suitability of a variety of everyday materials, including wood, metal, plastic, glass, brick, rock, paper and cardboard for particular uses.</p> <p>Find out how the shapes of solid objects made from some materials can be changed by squashing, bending, twisting and stretching.</p>	<p><b><u>Plants</u></b> <b><u>(Plants observed in natural habitat throughout the year)</u></b></p> <p>Observe and describe how seeds and bulbs grow into mature plants.</p> <p>Find out and describe how plants need water, light and a suitable temperature to grow and stay healthy.</p>	<p><b><u>Animals, including humans</u></b></p> <p>Notice that animals, including humans, have offspring which grow into adults.</p>	T1a T2 b	T1a T2b T3b	T2a	T1a T1b T2a T3b	T2a	T1b T2a T2b			

	the different sources of food.												
<b>Year 3</b>	<p><b><u>Light</u></b></p> <p>Recognise that they need light in order to see things and that dark is the absence of light.</p> <p>Notice that light is reflected from surfaces.</p> <p>Recognise that light from the sun can be dangerous and that there are ways to protect their eyes.</p> <p>Recognise that shadows are formed when light from a light source is blocked by a solid object.</p> <p>Find patterns in the way that the size of shadows change.</p>	<p><b><u>Rocks</u></b></p> <p>Compare and group together different kinds of rocks on the basis of their appearance and simple physical properties.</p> <p>Describe in simple terms how fossils are formed when things that have lived are trapped within rock.</p> <p>Recognise that soils are made from rocks and organic matter.</p>	<p><b><u>Animals including Humans</u></b></p> <p>Identify that animals, including humans, need the right types and amount of nutrition, and that they cannot make their own food; they get nutrition from what they eat.</p> <p>Identify that humans and some other animals have skeletons and muscles for support, protection and movement.</p>	<p><b><u>Forces and Magnets</u></b></p> <p>Compare how things move on different surfaces.</p> <p>Notice that some forces need contact between two objects, but magnetic forces can act at a distance.</p> <p>Observe how magnets attract or repel each other and attract some materials and not others.</p> <p>Compare and group together a variety of everyday materials on the basis of whether they are attracted to a magnet, and identify some magnetic materials.</p> <p>Describe magnets as having two poles.</p> <p>Predict whether two magnets will attract or repel each other, depending on which poles are facing.</p>	<p><b><u>Plants</u></b></p> <p>Identify and describe the functions of different parts of flowering plants. (roots, stem, leaves and flower).</p> <p>Explore the requirements of plants for life and growth (air, light, water, nutrients from soil, and room to grow) and how they vary from plant to plant.</p> <p>Investigate the way in which water is transported within plants.</p> <p>Explore the part that flowers play in the life cycle of flowering plants, including pollination, seed formation and seed dispersal.</p>	C	T2 T1	T2 T1	-	C	C	T2 T1	C
<b>Year 4</b>	<p><b><u>Animals including humans</u></b></p> <p>Describe the simple functions of the basic parts of the digestive system in humans.</p>	<p><b><u>Electricity</u></b></p> <p>Identify common appliances that run on electricity.</p> <p>Construct a simple series electrical circuit, identifying and naming its basic</p>	<p><b><u>Sound</u></b></p> <p>Identify how sounds are made, associating them with something vibrating.</p> <p>Recognise that vibrations from</p>	<p><b><u>States of mater</u></b></p> <p>Compare and group materials according to whether they are solids, liquids or gases.</p> <p>Observe that some materials change</p>	<p><b><u>Living things and their habitats (Ongoing throughout the year)</u></b></p> <p>Recognise that living things can be grouped in a variety of ways.</p> <p>Explore and use classification keys to help group, identify and name a variety of living things in their local and wider environment.</p>	C	T1 T2	C	-	C	C	T1	C

	<p>Identify the different types of teeth in humans and their simple functions.</p> <p>Construct and interpret a variety of food chains, identifying producers, predators and prey.</p>	<p>parts, including cells, wires, bulbs, switches and buzzers.</p> <p>Identify whether or not a lamp will light in a simple series circuit, based on whether or not a lamp is part of a complete loop with a battery.</p> <p>Recognise that a switch opens and closes a circuit and associate this with whether or not a lamp lights in a simple series circuit.</p> <p>Recognise some common conductors and insulators, and associate metals with being good conductors.</p>	<p>sounds travel through a medium to the ear.</p> <p>Find patterns between the pitch of a sound and features of the object that produced it.</p> <p>Find patterns between the volume of a sound and the strength of the vibrations that produced it.</p> <p>Recognise that sounds get fainter as the distance from the sound source increases.</p>	<p>state when they are heated or cooled, and measure or research the temperature at which this happens in degrees Celsius.</p> <p>Identify the part played by evaporation and condensation in the water cycle and associate the rate of evaporation with temperature.</p>	<p>Recognise that environments can change and that this can sometimes pose dangers to living things.</p>								
<b>Year 5</b>	<p><b><u>Properties and changes of materials</u></b></p> <p>Compare and group together everyday materials on the basis of their properties, including their hardness, solubility, transparency, conductivity (electrical and thermal), and response to magnets.</p> <p>Know that some materials will dissolve in liquid to form a solution, and describe how to recover a substance from a solution.</p> <p>Use knowledge of solids, liquids and gases to decide how mixtures might be separated, including through filtering, sieving and evaporating.</p> <p>Give reasons, based on evidence from comparative and fair tests, for the particular uses of everyday materials, including metals, wood and plastic.</p>	<p><b><u>Forces</u></b></p> <p>Explain that unsupported objects fall towards the Earth because of the force of gravity acting between the Earth and the falling object.</p> <p>Identify the effects of air resistance, water resistance and friction that act between moving surfaces.</p> <p>Recognise that some mechanisms, including levers, pulleys and gears,</p>	<p><b><u>Earth and space</u></b></p> <p>Describe the movement of the Earth, and other planets, relative to the Sun in the solar system.</p> <p>Describe the movement of the moon relative to the earth.</p> <p>Describe the Sun, Earth and Moon as approximately spherical bodies.</p> <p>Use the idea of the Earth's rotation to explain day and night</p>	<p><b><u>Animals, including humans</u></b></p> <p>Describe the changes as humans develop to old age.</p>	<p><b><u>Living things and their habitats</u></b></p> <p>Describe the differences in the life cycles of a mammal, an amphibian, an insect and a bird.</p> <p>Describe the life process of reproduction in some plants and animals.</p>	-	T1 T3	C	-	C	C	C	C
