

Ings Farm Primary Long Term Plan

History 2025-2026

Skills & Processes KS1&KS2

1	Chronological knowledge and understanding (including characteristic features of periods). Be aware of terms that describe the passing of time and be able to place events and objects in chronological order. Develop an awareness of chronology, be able to employ dates and terms to describe the past, and realise that the past can be divided into periods (such as ancient, modern, AD, BC, century and decade).
2	Range and depth of historical knowledge (knowledge and understanding of events, people and changes in the past). Identify and describe some causes and results of historical events, individuals, situations and changes studied in the past. Identify, describe reasons for and results of historical events, situations and changes studied in the past.
3	Historical interpretations. Identify different ways in which the past is represented and suggest reasons for this. Understand how and suggest reasons why contrasting arguments and interpretations of the past have been constructed.
4	Historical enquiry (evidence). Question and infer from a range of historical sources understanding that this process is part of finding out about the past. Understanding the methods of enquiry, including how evidence is used to make historical claims.
5	Organisation and Communication. Communicate their historical thinking in different forms. Create their own structured accounts, including written narratives and analyses.
6	Questioning. Asking and answering questions. Framing historically valid questions.
