

## **Public Consultation Notice: Proposed Demolition and Replacement of Caretaker Bungalow**

Galileo Multi Academy Trust is seeking planning permission to demolish the existing caretaker bungalow at Ings Farm Primary School and replace it with a pre-built single-story modular building (portacabin-style). This development will help us better support the needs of our school community by increasing nursery capacity and expanding wraparound care provision.

Before submitting our planning application, we are required to carry out a 21-day public consultation. We value the views of our local community and invite you to share your feedback.

### **Details of the Proposal**

- Location: Ings Farm Primary School, Stirling Road, Redcar, TS10 2JZ
- Current Structure: Caretaker bungalow
- Proposed Development: Removal of the bungalow and installation of a modular building to provide additional nursery space, meeting areas, and staff facilities.
- Reason for Change: To increase nursery provision, improve educational facilities, modernise school infrastructure, and provide additional meeting space.

### **Consultation Period**

- Starts: 21 November 2025
- Ends: 14 December 2025

### **How to Respond**

Please send your comments or questions by Friday 5 December via:

- Email: [info@galileotrust.co.uk](mailto:info@galileotrust.co.uk)
- Post: Galileo MAT, The Innovation Centre, Kirkleatham Business Park, Vienna Court, Redcar, TS10 5SH

All feedback will be considered before we submit our planning application to the Local Authority.

Thank you for taking the time to share your views and support the development of our school facilities.
